

**Grace Fellowship Nursery Schedule:
July through August 2008**

Dear GFC Nursery Workers, Thank you for your ministry to the families of our church! Here are a few key things to remember while working in the nursery:

1. Please try to arrive 10-15 minutes early, so that you can setup and cleanup the nursery and be ready to receive the children. The nursery may need to be vacuumed before the toys are setup. The vacuum may be found in the storage room across the hall.
2. The side room is available for the children who may require a nap. The large toy box (once emptied) is also to be placed in this room. It is not to be used as a toy.
3. Only the people on the schedule should be in the nursery.
4. If for any reason you cannot make your shift in the nursery please find a substitute by either switching with another nursery worker or calling one of the ladies on our substitute list in advance of the scheduled date. Please call and notify Janis Freeman of these changes.

If you have any questions or concerns regarding the nursery please contact Ryan or Janis Freeman. Many thanks again for your ministry to our church.
